

Colorado Psyclones

A Colorado 501(C)3 Non-Profit Corporation

Fastpitch Softball Club Littleton, Colorado

23 October 2006

Dear Psyclones Sponsor:

As you may know, one of the fastest growing amateur sports in the world is women's fastpitch softball. We're proud to be a part of both building on the tradition of a great game that is gaining acceptance worldwide, and in helping to shape the lives of young, female student athletes while we do so. To provide a solid framework that allows student athletes to develop and play fastpitch at the highest competitive levels, in late 2002, a small group of coaches, parents and players formed the Colorado Psyclones Fastpitch Softball Club. For the upcoming 2007 season, the Psyclones will field six teams; a team at 10 and under (U10), two at U12, two at U16 and one at U18; making the Psyclones a positive force in the lives of 75 student athletes. This is a huge task, which will require many hundreds of hours of volunteer time, but we're excited about the opportunity. Our coaches and other organizers are ready to step up but, frankly, we need your help.

In the upcoming season, our teams will each participate in about a dozen tournaments, both locally and nationally. With entry fees in the range of \$400-\$750 per tournament, and the other expenses (insurance, equipment, uniforms, etc.) that go along with running a successful program, costs quickly mount. To ensure we can continue to provide the positive environment and experience the Psyclones have become known for, we have determined to solicit help from local community leaders and businesses to defray the costs of participation for our student athletes and their families. On Saturday evening, December 2nd, we will hold our annual Silent Auction. At that event, we will host approximately 250 potential donors who will have the opportunity to bid to purchase your donated item. All proceeds of the sale will benefit Psyclones student athletes. We are hopeful we can count on you for a donation of a product or service to be offered by your business for sale at the auction, or for purchase of auction tickets.

What's in it for you? You will have the heartfelt thanks of the Psyclones organization and our young athletes, of course, but you will also get valuable promotional exposure within the Psyclones family and among our donors. Also, for each donation valued at a retail price of \$150 or greater, you will receive a free couple's entry to the Silent Auction.

Thank you for your support of our student athletes. Should you have any questions, or require additional information, please feel free to contact me at any time. Thank you for your kind attention.
